

COLLECTORS PRINT SPECIAL

February 2012

ORDER FORM

THE COLLECTORS PRINT SPECIAL (IX) for **February 2012** is a 5 x 7 vertical platinum print from Montana. *Barber Chair, Saloon, Bannack State Park, MT* was shot in 2011 during an exploratory trip for the new ***Ghost Towns of Montana workshop***. Gold was discovered in Bannack, Montana's first territorial capital, and approximately 3000 people called it home by 1863.

Barber Chair, Saloon, Bannack State Park, MT, 2011

It is an intact, high plains western town containing nineteen buildings, including a saloon, school, Masonic Hall, two hotels, jail and a variety of other businesses and houses. In the saloon, the incongruity of the barber chair on one side of the narrow room and the long bar down the other side gave pause for thought as I photographed the changing shadows on its surface. The image was made with a Heliar 240 mm lens on my 5 x 7 Canum camera.

This year there is a big change in **COLLECTORS PRINT SPECIAL: Each print is offered as a limited edition of 25 at the 5" x 7" size.** Images will continue to be available for **\$225.00** (price includes shipping and reflects 45% savings) **ONLY during the month of offer.** The regular price of \$500.00 (plus shipping) is reinstated on the first day of the following month. Your print arrives signed, numbered and un-matted—within 30 days of the end of this offer.

We continue the pledge of a **free bonus image** if you purchase all four images in this year's collection.

In addition, if you plan to invest in all four images, you can register with us when you order the February print special and arrange to keep a credit card number on file. This will insure you don't miss a single image in the series.
